

18th October 2007

Dear Teacher Trainer«FIRSTNAME»,

Re: Teacher Trainer Register 2007 - Grandparenting

The Teacher Training Working Group of the Education Sub-Committee has been working on developing the criteria for joining the Teacher Trainer Register, as agreed at the 2005 EGM.

The developed proposal was put forward to, and voted in, at the October 2007 AGM.

As such, new people joining the Teacher Trainer register need to have been on the professional Shiatsu teacher (T) register for 3 years. Additionally, they need to have either completed a PGCE or similar, or completed a portfolio evidencing specified learning and experience.

You are presently on the TT register, as previously determined by having been a T for five years. The proposal approved this year allows for grandparenting in of people already on the TT register, providing they complete and return the attached form by 31st December 2007.

Please contact the Office, myself, or one of the Teacher Trainer Group (Education Sub-Committee), if you or need any further information.

Kind regards,

Catherine.
